

**Classics are simply built well:**  
HANSAMIX.

 **HANSA**  
experience water

HANSAMIX is one of the best-known Hansa kitchen faucets. This has its reasons: the workmanship with top Hansa quality and the appealing exterior have been recognised by many who are searching for practical and high-quality kitchen aids. HANSAMIX is convincing with its smooth operating levers, which makes it possible to dose water precisely.

0109 2273 0017

The long swivelling spout with the practical pull-out shower head, which eases kitchen work tremendously.
