HANSA—not just for the bathroom Pre-eminent manufacturer unveils new “eco friendly” kitchen faucets

NORCROSS, Ga. (April 2009) – Hansa, a renowned authority in the bathroom, introduces new kitchen offerings with the launch of the **HANSAMIX** and **HANSACUISINE**.

“We wanted to offer a look for the kitchen that was contemporary, yet allowed for easy operation by consumers, and at a project price point,” says Darryl Jones, Divisional Sales Manager at KWC AMERICA, which also distributes the HANSA brand. “We designed the **HANSAMIX** and **HANSACUISINE** with the environment in mind.”

High quality, reliability and dynamic design elements embody the new **HANSAMIX**. Demonstrating Hansa’s commitment to sustainable living, the **HANSAMIX** comes complete with an adjustable hot water stop and an integrated eco cartridge, a water conservation device providing a 50 percent reduction in both energy and water costs. The elongated swivel spout is also available with the pull-out shower head for optimal kitchen performance.

The **HANSACUISINE** defines sleek, minimalist design. Equipped with the eco-cartridge and available with a pull-out shower head and swivel spout, the **HANSACUISINE** provides added convenience for the kitchen. The water stream can be altered at the push of a single button. The

soft spray—is ideal for filling pots—and the needle spray—perfect for cleaning fruits, vegetables, or removing leftovers.
